We have two events scheduled today/tonight in Boston. So far, low attendance is being advertised and we have not received any threat intel to indicate there will be issues. I'll update the group should anything of significance be learned or occur.

Stay safe everyone.

A permitted event called CompassCare Walk for Life occurred today in Buffalo that was routed to walk past an abortion clinic without stopping & then back to the park. This is an anti-abortion group.
A group of about 30-40 anti protesters showed up with black helmets/ clothing where they planned to intercept the family walk.
The anti- protesters attempted to block the walk but were unsuccessful. There were no additional issues during the walk.

However, when they arrived back at the park, a car attempted to get around a police vehicle blocking the street. The female driver exited her vehicle and started pounding on the police car window and then exposed herself to the Lieutenant in the car and it escalated to her removing her shirt She had a bull horn during this exchange and when the lieutenant engaged her, she blared the horn setting of the bull horn in the Lieutenants face. When the Lieutenant attempted to deflect the bull horn away from his face, she struck him in the head with it; he was later diagnosed with a concussion. 21 year old female was taken into custody and charged with felony assault.
There were no other issues and the counter protesters dispersed.

Subject: Green Bay active shooter

Here's the latest I have regarding the active shooter incident in Green Bay, WI. Oneida is a suburb of Green Bay.

Oneida PD is reporting an active shooter incident at the Radisson Hotel in Oneida. Supposedly 5 "down" and scene is still active.

Scene is not clear. Shooting occurred in the kitchen.

We had a couple small protests prior to the Kentucky Derby today that involved bicycles and protestors on foot. They remained peaceful. Following the Derby, another protest march began approximately 10 miles from Churchill Downs. That protest is ongoing and has already had a couple of arrests for obstructing traffic.

Subject: RE: ICG Thread - May Day Events in Portland

CAUTION: This email came from outside of Louisville Metro. Do not click links or open attachments unless you recognize the sender and know the content is safe

---

In Portland we have multiple May Day events happening but only our evening events (9:00 p.m. PDT) have any criminal behavior concerns. We had one “patriot” event today where two people showed up, one of whom was arrested for disorderly conduct.

Off topic but if anyone has any written policy covering the covert use of social media (i.e. undercover accounts), I’d be interested in a copy.

Thank you.

Subject: ICG Thread - MPD Officer Involved Shooting

Good Morning ICG Members,

On April 30, 2021, shortly before 2100 hours, D.C. Metropolitan Police Department officers were dispatched to the 1100 block of 4th Street SW for a domestic violence assault. Upon arrival, the officers interviewed the victim who reported she wanted her boyfriend out of the apartment. When the officers attempted to interview the boyfriend, he produced a firearm and pointed it at the officers. One of the officers discharged his firearm, striking the suspect. The suspect was transported to a local area hospital where he was pronounced deceased.

We are monitoring social media for any First Amendment demonstrations/protests in response to this incident. At this time, local groups have posted this incident on social media and are demanding additional information about the shooting and for the BWC video to be released. However, there are no known protests or First Amendment activities regarding this incident at this time. We will update the group if any protests materialize.
